PHUKET

“

ANSAYA PHUKET

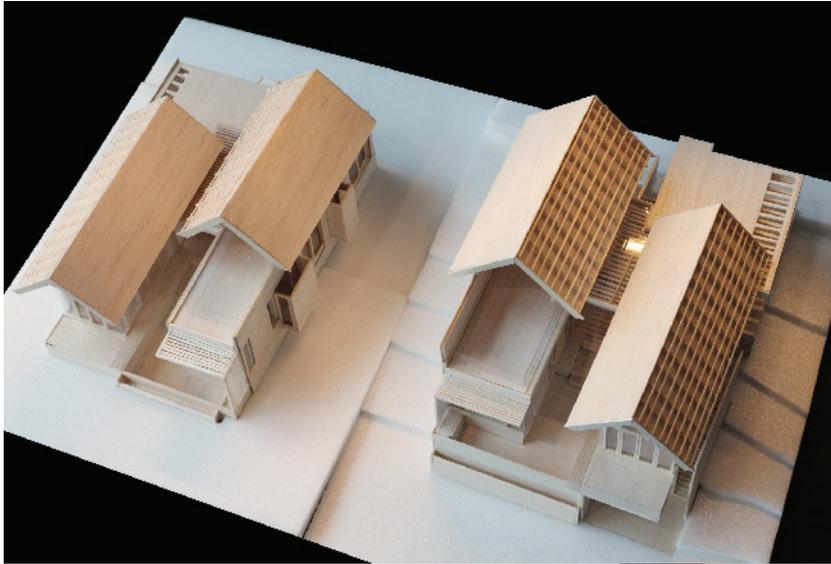

is an extension of Thai cultural heritage architecture design and intelligence into the moment of modern and comfortable living. Providing a delightful cultural living quality and identity in both spiritual and physical through time.

| The architecture was designed with sense of timelessness, so it can be stated eternally and does not lost its title.

*EMBRACING THE
LEGACY OF THE PAST*

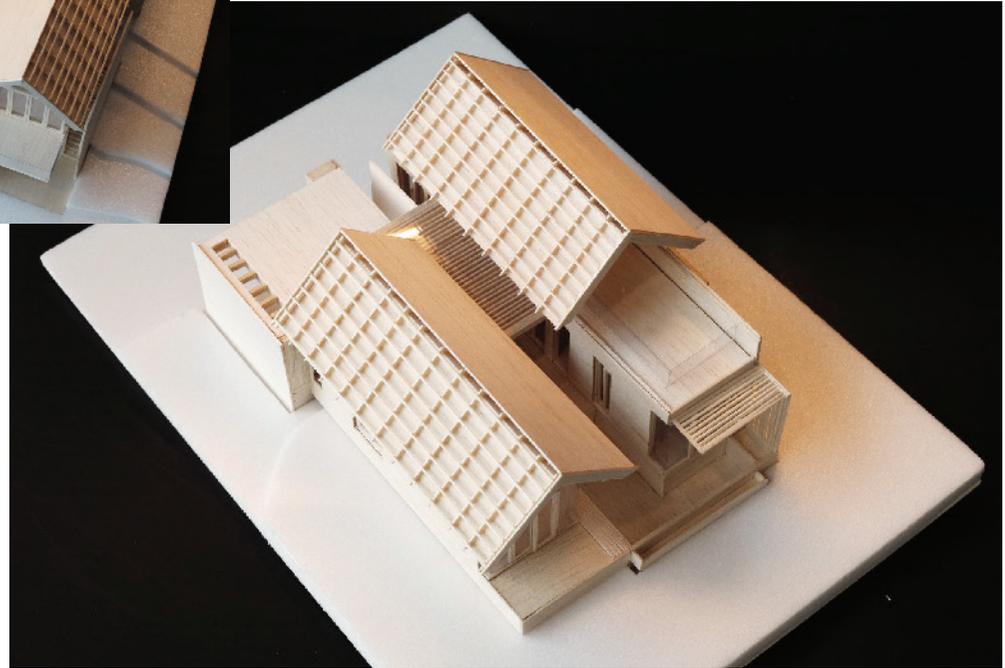

*REFLECTION OF
THAI*

| *WE CREATE
ART NOT VILLA* |

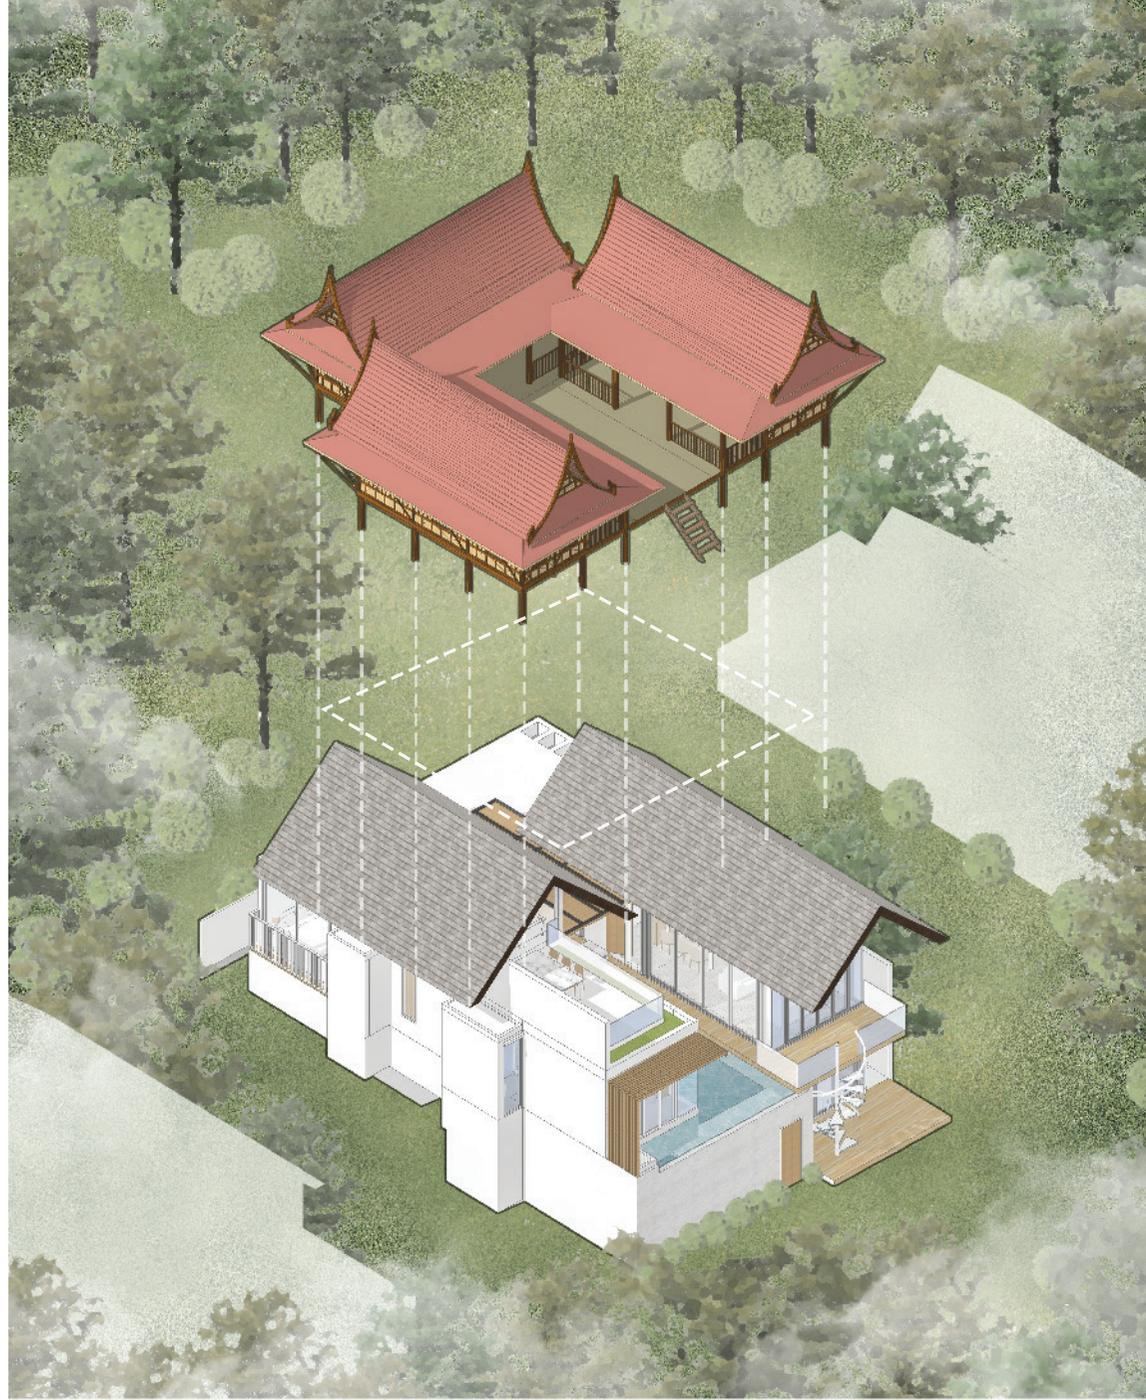

| *YOUR LEGACY* |
| *NOT BUILDING*

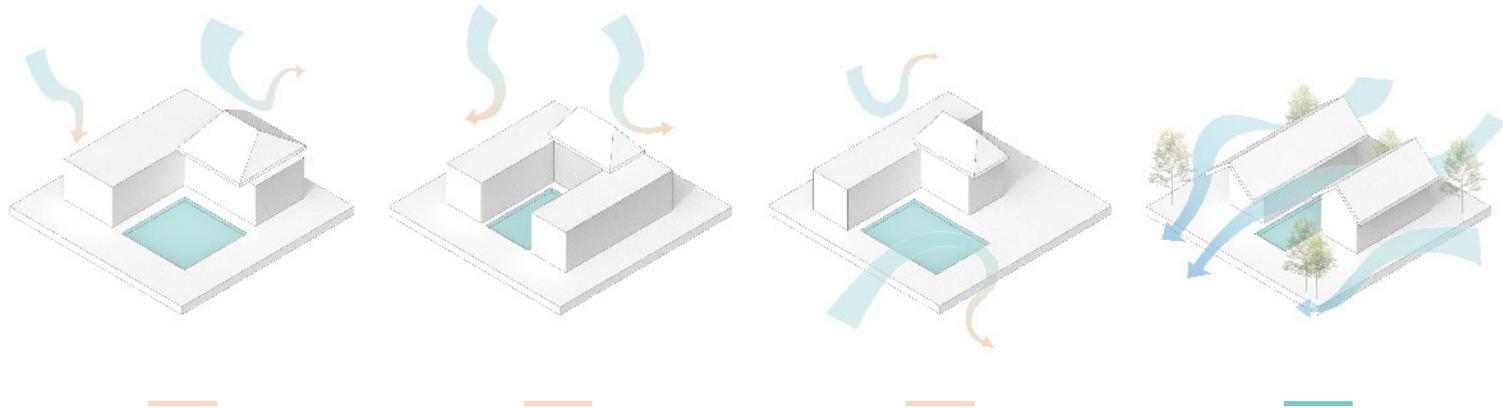

TRADITIONAL THAI VILLA

architecture has a very long solid history and cultural heritage.

The design was shaped and developed through time by wisdom of Thai ancient architect over the centuries to be more elegant and perfect for local climate and atmosphere.

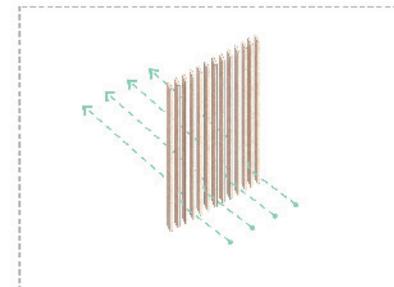

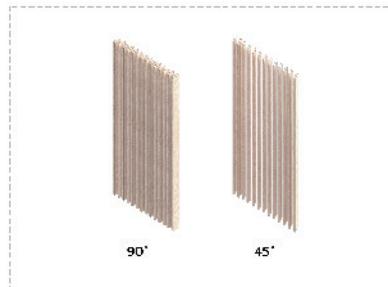

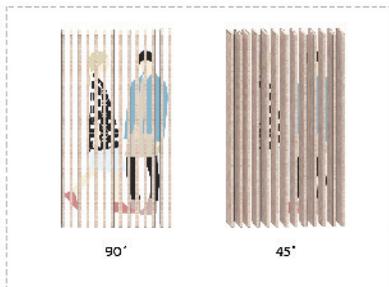

DOUBLE I-SHAPES DESIGN

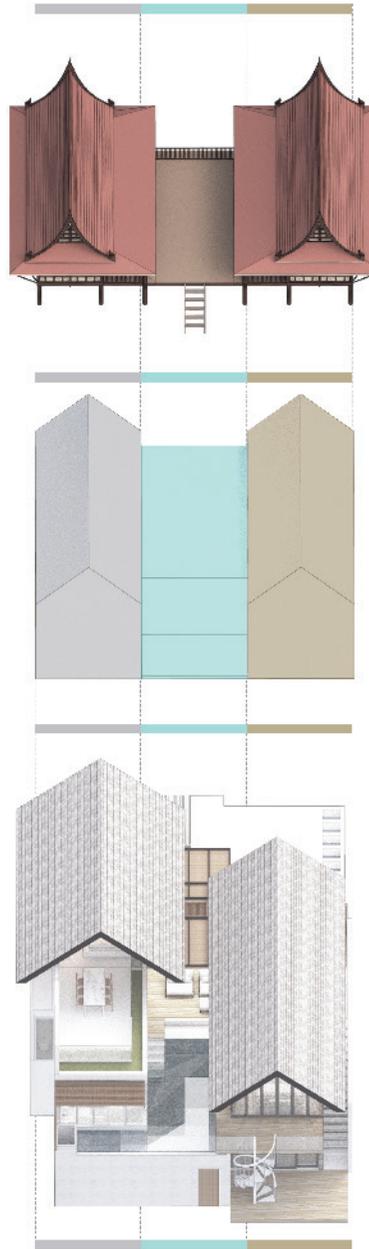

Sustainable living with ventilation design

NATURAL VENTILATION

Inovative Design

LIVING WITH IDENTITY

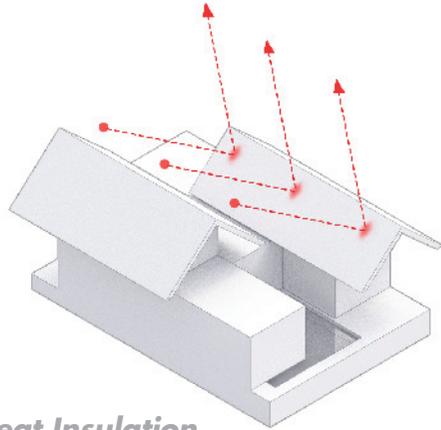

PRIVATE
SPACE
