CAREFREE COASTAL LIFESTYLE

BEACH RESORT LIVING

Located within Laguna Phuket and a few short steps to Bangtao Beach, Laguna Beach Residences Reef is the newest address in Asia's finest integrated resort.

The development is ideally positioned just a few metres from the beach itself and features a dedicated beach area which offers owners the best seats in the house to enjoy the stunning sunset over the light-speckled waters of the Andaman Sea.

A unique rooftop recreation area connecting all four low-rise buildings of Laguna Beach Residences Reef provides a communal space for residents to enjoy the tropical outdoors, enriching their lifestyle, and adding to the development's carefree beach resort vibe.

AN EVERGREEN DESTINATION

Phuket is famous as one of the world's premier beach resort destinations enjoying a year round tropical climate. Phuket residents have all the facilities they need at their fingertips, whether it is stunning beaches, entertainment and nightlife, championship golf courses, luxury shopping complexes, international schools or world-class hospitals, to make island dreamsliving reality.

LUXURY OF SPACE AND FLEXIBILITY

Ideal for the modern lifestyle, the one- to three-bedroom condominium units at Laguna Beach Residences Reef start at a spacious 59 sqm. The larger two- and three-bedroom units are designed to enjoy maximum panoramic views from their respective full-width lanai. The unique semi-outdoor lanai feature provides additional living space, which can be opened up to extend the balcony for relaxed outdoor living, or closed off with an optional glass screen to increase interior floor space.

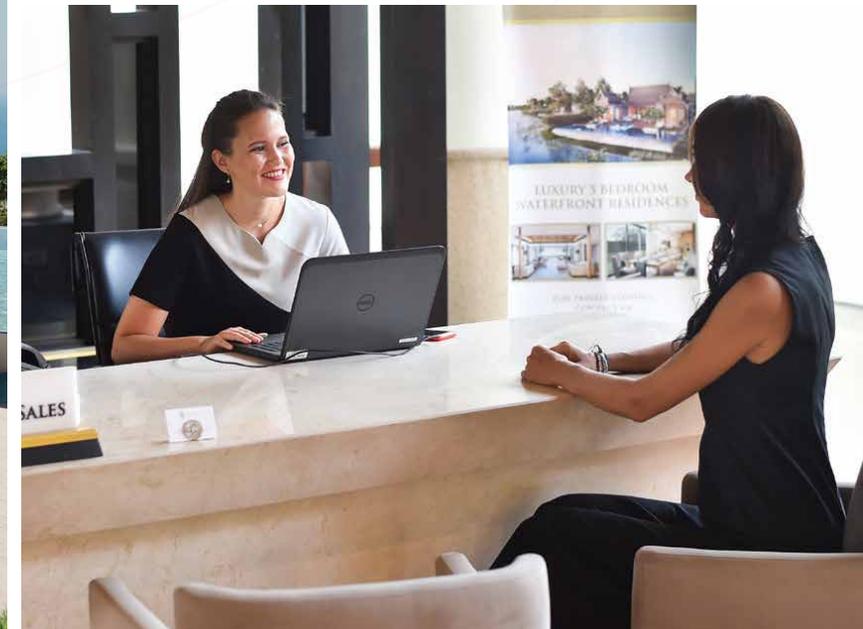

A choice of fit-out options offers the flexibility for owners to choose a fully furnished option for the ultimate convenience.

PROFESSIONAL SERVICES AND SUPPORT

Laguna Beach Residences Reef caters to both buyers who want a primary or secondary home, or an investment property. Professionally managed by the Laguna Phuket team, owners can rest assured that an experienced team is always on hand to look after their homes including a dedicated rental service for when they are away.

With an inter-resort shuttle bus service, bank with money exchange services, 24-hour medical clinic, convenience store, and a dedicated multi-lingual owner services team, residents have all the support they need to live their lifestyle to the fullest.
