THE SKY IS NOT THE LIMIT

Inspired by the spontaneous pattern of Thai vernacular riverside villages, the development comprises low-rise buildings. The buildings' V-shapes maximise the views over the golf course and feature outdoor functional spaces that extend into the nature surrounding the project. This unique configuration is captured and translated into a contemporary design narrative with a crafted mix of unit designs based on studio, one- and two-bedroom configurations. Further flexibility is also provided with a range of unit fit-outs including fitted with built-in furniture and appliances and fully furnished options. The choice is yours.

Reaching for the sky, the well-planned rooftop facilities allow residents to make the most of the great outdoors and include an infinity-edged pool with jetpool and a unique sky running track. The al fresco social hub also features a large BBQ area, spacious sky deck, yoga space and open, lawned relaxation area with green landscaping and a panoramic view point offering sweeping vistas of the tropical surroundings.
