CONCEPT & DESIGN

The design concept of The AQUA aims to create a comfortable and functional living space that suits all generations. The modern and sleek style features clean lines and neutral colors that complement the natural beauty of the location, while also allowing wind and natural light to flow into the living spaces. The use of natural materials, such as wood, stone, and metal, creates a warm and inviting atmosphere that seamlessly blends with the lush greenery and tranquil waters. The AQUA is a place to call home, where you can immerse yourself in a true haven that offers a peaceful and indulgent waterfront oasis.
